ARCHITECTURAL SIGNIFICANCE (Describe important architectural features and evaluate in terms of other buildings within the community.)

Distinctive features of this house include an oversize dormer, squat palladian window filled with stained glass, panelled chimney, and broad porch.

HISTORICAL SIGNIFICANCE (Explain the role owners played in local or state history and how the building relates to the development of the community.)

The house was built before 1894 by Warren R. Sherburne, a superintendent of construction, who was the son of Warren Sherburne who built the house at 11 Percy Road in 1893. *Still there in 1932.*

1942 occupied by Paul Hederstedt
